Credit Unions Care
Foundation of Virginia

Launched in 2009 by the Virginia Credit Union League, the trade association for the commonwealth's 123 credit unions, the Credit Unions Care Foundation of Virginia works to further credit unions' social mission, primarily through financial education, charitable giving and disaster relief efforts.

Credit Unions Care Foundation Raising Funds to Aid Hurricane Dorian Relief

The Credit Unions Care Foundation of Virginia is launching a fundraising campaign to aid victims of Hurricane Dorian, which devastated the Bahamas before moving to the East Coast of the U.S.

Our hope is to raise the \$10,000 goal by Oct. 4.

The Foundation will accept donations from both credit unions and individuals. Checks/share drafts can be made payable to the "Credit Unions Care Foundation of Virginia" and sent to:

Credit Unions Care Foundation of Virginia
Attn: Hurricane Dorian Relief Fund
PO Box 11469
Lynchburg, VA 24506

Donations are also accepted by credit card here:

<http://bit.ly/GiveCUsCare>

Choose the "Dorian Relief Fund" option.
Minimum credit card donation is \$25.

The Foundation Board will decide which organization(s) to support with our donation. 100% of the funds raised will be directed to charity. In the past, we've looked first to aid charitable credit union foundations based in affected states.

We've also supported the efforts of the World Council of Credit Unions, which is working closely with the Caribbean Confederation of Credit Unions and others to aid recovery efforts in the Bahamas, where at least 50 people were killed in the storm. A number of credit unions were affected by the storm, with some just now resuming operations. We've also worked closely with the American Red Cross and other appropriate charitable organizations on disaster relief efforts.

Your Foundation would appreciate your help in reaching our \$10,000 goal! However, what's most important is that each of us help in some way, so thank you for whatever way you choose to contribute.
