SUPPORT VACUPAC

Virginia Credit Union Political Action Committee

When credit unions unite we have a stronger voice to support our movement. VACUPAC plays a very important role in the effort to represent all credit unions in Virginia on a state and federal level. Laws and regulations guide our credit unions and how we serve our members. We need lawmakers who work with us and support our mission through sensible legislation. VACUPAC supports candidates, who have a proven track record on voting and introducing bills on behalf of credit unions, sit on a committee that reviews our legislation, and have a willingness to amend bills on our behalf.

**Join the fun, and invest in the
future of credit unions!**
